

# ACOUSTIC PANELS

## Safety Data Sheet

Date of issue: 27 June 2019

Revision date: 27 June 2019

Version: 1.0

### SECTION 1: Identification

#### 1.1. Identification

Product form : Article  
Trade name : ACOUSTIC PANELS

#### 1.2. Recommended use and restrictions on use

Use of the substance/mixture : Building material, decoration, acoustic

#### 1.3. Supplier

Tockky LLC  
314 Rudyard Street  
Staten Island, NY 10306  
USA  
844-486-2559  
[Office@tockky.com](mailto:Office@tockky.com)

#### 1.4. Emergency telephone number

Emergency number : +1 718-288-1448

### SECTION 2: Hazard(s) identification

#### 2.1. Classification of the substance or mixture

##### GHS-US classification

Not classified

#### 2.2. GHS Label elements, including precautionary statements

This product is an article and therefore is not subject to the requirements of the US Occupational Safety and Health Administration's (OSHA) Hazardous Communications Standard 29 CFR 1910.1200(b)(6)(v) to provide a Safety Data Sheet (SDS). This product should not present a health or safety hazard under recommended or normal use.

#### 2.4. Unknown acute toxicity (GHS US)

Not applicable

### SECTION 3: Composition/Information on ingredients

#### 3.1. Substances

Not applicable

#### 3.2. Mixtures

This mixture does not contain any substances to be mentioned according to the criteria of section 3.2 of HazCom 2012

### SECTION 4: First-aid measures

#### 4.1. Description of first aid measures

First-aid measures general : Not expected to present a significant hazard under anticipated conditions of normal use.  
First-aid measures after inhalation : None under normal use.  
First-aid measures after skin contact : None under normal use.  
First-aid measures after eye contact : Not expected to present a significant eye contact hazard under anticipated conditions of normal use.  
First-aid measures after ingestion : Not expected to present a significant ingestion hazard under anticipated conditions of normal use.

#### 4.2. Most important symptoms and effects (acute and delayed)

Effects on humans : This product, when used under reasonable conditions and in accordance with the directions for use, should not present a health hazard. However, use or processing of the product in a manner not in accordance with the product's directions for use may affect the performance of the product and may present potential health and safety hazards.  
Potential Adverse human health effects and symptoms : Not expected to present a significant hazard under anticipated conditions of normal use.  
Symptoms/effects : Not expected to present a significant hazard under anticipated conditions of normal use.

# ACOUSTIC PANELS

## Safety Data Sheet

|                                     |  |
|-------------------------------------|--|
| Symptoms/effects after inhalation   | : Not expected to present a significant inhalation hazard under anticipated conditions of normal use.  |
| Symptoms/effects after skin contact | : Not expected to present a significant skin hazard under anticipated conditions of normal use.        |
| Symptoms/effects after eye contact  | : Not expected to present a significant eye contact hazard under anticipated conditions of normal use. |
| Symptoms/effects after ingestion    | : Not expected to present a significant ingestion hazard under anticipated conditions of normal use.   |

### 4.3. Immediate medical attention and special treatment, if necessary

Treat symptomatically.

## SECTION 5: Fire-fighting measures

### 5.1. Suitable (and unsuitable) extinguishing media

|                                |   |
|--------------------------------|---|
| Suitable extinguishing media   | : Use extinguishing media appropriate for surrounding fire. |
| Unsuitable extinguishing media | : None known.   |

### 5.2. Specific hazards arising from the chemical

|                  |  |
|------------------|--|
| Fire hazard      | : None under normal use. A Class based on ASTM-E84 |
| Explosion hazard | : None under normal use.                           |

### 5.3. Special protective equipment and precautions for fire-fighters

|                                |  |
|--------------------------------|--|
| Firefighting instructions      | : Evacuate personnel to a safe area. Fight fire from safe distance and protected location. Do not enter fire area without proper protective equipment, including respiratory protection. |
| Protection during firefighting | : Do not attempt to take action without suitable protective equipment. Do not enter fire area without proper protective equipment, including respiratory protection.                     |

## SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

#### 6.1.1. For non-emergency personnel

|                      |  |
|----------------------|--|
| Emergency procedures | : No additional risk management measures required. |
|----------------------|--|

#### 6.1.2. For emergency responders

|                      |  |
|----------------------|--|
| Protective equipment | : No additional risk management measures required. |
|----------------------|--|

### 6.2. Environmental precautions

No special environmental precautions required.

### 6.3. Methods and material for containment and cleaning up

|                         |   |
|-------------------------|---|
| Methods for cleaning up | : No particular/specific measures required. |
|-------------------------|---|

### 6.4. Reference to other sections

For further information refer to section 8: "Exposure controls/personal protection". For disposal of residues refer to section 13 : Disposal considerations".

## SECTION 7: Handling and storage

### 7.1. Precautions for safe handling

|                               |  |
|-------------------------------|--|
| Precautions for safe handling | : This product is an article which does not release or otherwise result in exposure to a hazardous chemical under normal use conditions. |
| Hygiene measures              | : Always wash hands after handling the product.  |

### 7.2. Conditions for safe storage, including any incompatibilities

|                        |   |
|------------------------|---|
| Storage conditions     | : No particular/specific measures required. |
| Incompatible materials | : None known.                               |

## SECTION 8: Exposure controls/personal protection

### 8.1. Control parameters

No additional information available

### 8.2. Appropriate engineering controls

No additional information available

# ACOUSTIC PANELS

## Safety Data Sheet

### 8.3. Individual protection measures/Personal protective equipment

**Personal protective equipment:**

Not required for normal conditions of use.

**Materials for protective clothing:**

Not required for normal conditions of use

**Hand protection:**

Not required for normal conditions of use

**Eye protection:**

Not required for normal conditions of use

**Respiratory protection:**

Not expected to present a significant inhalation hazard under anticipated conditions of normal use

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|   |                           |
|---|---------------------------|
| Physical state                              | : Solid                   |
| Color                                       | : Various                 |
| Odor  | : odorless                |
| Odor threshold                              | : No data available       |
| pH  | : No data available       |
| Melting point                               | : No data available       |
| Freezing point                              | : No data available       |
| Boiling point                               | : No data available       |
| Flash point                                 | : No data available       |
| Relative evaporation rate (butyl acetate=1) | : No data available       |
| Flammability (solid, gas)                   | : Non flammable.          |
| Vapor pressure                              | : No data available       |
| Relative vapor density at 20 °C             | : No data available       |
| Relative density                            | : No data available       |
| Solubility                                  | : Insoluble.              |
| Log Pow                                     | : No data available       |
| Auto-ignition temperature                   | : No data available       |
| Decomposition temperature                   | : No data available       |
| Viscosity, kinematic                        | : Not applicable          |
| Viscosity, dynamic                          | : Not applicable          |
| Explosion limits                            | : No data available       |
| Explosive properties                        | : Not explosive.          |
| Oxidizing properties                        | : Non oxidizing material. |

### 9.2. Other information

No additional information available

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

### 10.2. Chemical stability

Stable under normal conditions.

### 10.3. Possibility of hazardous reactions

No dangerous reactions known under normal conditions of use.

### 10.4. Conditions to avoid

None under recommended storage and handling conditions (see section 7).

# ACOUSTIC PANELS

## Safety Data Sheet

### 10.5. Incompatible materials

None known.

### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

## SECTION 11: Toxicological information

### 11.1. Information on toxicological effects

|   |   |
|---|---|
| Acute toxicity (oral)                               | : Not classified (Based on available data, the classification criteria are not met)   |
| Acute toxicity (dermal)                             | : Not classified (Based on available data, the classification criteria are not met)   |
| Acute toxicity (inhalation)                         | : Not classified (Based on available data, the classification criteria are not met)   |
| Skin corrosion/irritation                           | : Not classified (Based on available data, the classification criteria are not met)   |
| Serious eye damage/irritation                       | : Not classified (Based on available data, the classification criteria are not met)   |
| Respiratory or skin sensitization                   | : Not classified (Based on available data, the classification criteria are not met)   |
| Germ cell mutagenicity                              | : Not classified (Based on available data, the classification criteria are not met)   |
| Carcinogenicity                                     | : Not classified (Based on available data, the classification criteria are not met)   |
| Reproductive toxicity                               | : Not classified (Based on available data, the classification criteria are not met)   |
| Specific target organ toxicity – single exposure    | : Not classified (Based on available data, the classification criteria are not met)   |
| Specific target organ toxicity – repeated exposure  | : Not classified (Based on available data, the classification criteria are not met)   |
| Aspiration hazard                                   | : Not classified (Based on available data, the classification criteria are not met)   |
| Viscosity, kinematic                                | : No data available   |
| Effects on humans                                   | : This product, when used under reasonable conditions and in accordance with the directions for use, should not present a health hazard. However, use or processing of the product in a manner not in accordance with the product's directions for use may affect the performance of the product and may present potential health and safety hazards. |
| Potential Adverse human health effects and symptoms | : Not expected to present a significant hazard under anticipated conditions of normal use.  |
| Symptoms/effects                                    | : Not expected to present a significant hazard under anticipated conditions of normal use.  |
| Symptoms/effects after inhalation                   | : Not expected to present a significant inhalation hazard under anticipated conditions of normal use.   |
| Symptoms/effects after skin contact                 | : Not expected to present a significant skin hazard under anticipated conditions of normal use.   |
| Symptoms/effects after eye contact                  | : Not expected to present a significant eye contact hazard under anticipated conditions of normal use.  |
| Symptoms/effects after ingestion                    | : Not expected to present a significant ingestion hazard under anticipated conditions of normal use.  |
| Other information                                   | : Likely routes of exposure: ingestion, inhalation, skin and eye.   |

## SECTION 12: Ecological information

### 12.1. Toxicity

|                   |  |
|-------------------|--|
| Ecology – general | : The product is not considered harmful to aquatic organisms or to cause long-term adverse effects in the environment. |
|-------------------|--|

### 12.2. Persistence and degradability

| ACOUSTIC PANELS               |                  |
|-------------------------------|------------------|
| Persistence and degradability | Not established. |

### 12.3. Bioaccumulative potential

| ACOUSTIC PANELS           |                  |
|---------------------------|------------------|
| Bioaccumulative potential | Not established. |

### 12.4. Mobility in soil

No additional information available

### 12.5. Other adverse effects

|                   |                                     |
|-------------------|-------------------------------------|
| Other information | : Avoid release to the environment. |
|-------------------|-------------------------------------|

# ACOUSTIC PANELS

## Safety Data Sheet

### SECTION 13: Disposal considerations

#### 13.1. Disposal methods

- |  |   |
|--|---|
| Waste treatment methods                    | : Dispose of contents/container in accordance with licensed collector's sorting instructions. |
| Product/Packaging disposal recommendations | : Dispose in a safe manner in accordance with local/national regulations.                     |
| Ecology - waste materials                  | : Avoid release to the environment.   |

### SECTION 14: Transport information

#### Department of Transportation (DOT)

In accordance with DOT

Not regulated

#### Transportation of Dangerous Goods

Not regulated

#### Transport by sea

Not regulated

#### Air transport

Not regulated

### SECTION 15: Regulatory information

#### 15.1. US Federal regulations

No additional information available

#### 15.2. International regulations

##### CANADA

No additional information available

##### EU-Regulations

No additional information available

##### National regulations

No additional information available

#### 15.3. US State regulations

No additional information available

### SECTION 16: Other information

Revision date : 27 June 2019

SDS US (GHS HazCom 2012)

*This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product.*
